I never liked the rain until I walked through it with you[/tab]  
Every thunder cloud that came was one more I might not get through  
On the darkest day there s always light and now I see it too  
But I never liked the rain until I walked through it with you  
I hear it falling in the night and filling up my mind  
All the heaven s rivers come to light and I see it all unwind  
I hear it talking through the trees and on the window pane  
And when I hear it I just can t believe I never liked the rain  
[tab]    G   C      F      C  
Like the rain I have fallen for you and I know just why you[/tab]  
Liked the rain always calling for you I m falling for you now  
[tab]    G  
Just like the rain[/tab]

[tab]G      F   C      Bb  
When the cloud is rolling over thunder striking me[/tab]  
It s as bright as lightning and I wonder why I couldn t see  
That it s always good and when the flood is gone we still remain  
Guess I ve known all along I just belong here with you falling

For the winds to take us high above the plains[/tab]

[tab] **C**
