[If there are mistakes with respect to the order of verses, the timing,  
etc., let me know; I don t have a recording of the song, so I m not sure  
where everything goes.]  
[Thanks to dax@GAS.uug.Arizona.EDU for typing out the lyrics.]

[intro; repeat as necessary]

D G(9)/D E7no3 G(9)/E  
There s no time to kill between the cradle and the grave  
D G(9)/D E7no3 G(9)/E  
Father Time still takes a toll on every minute that you save  
G C(9)/G A7no3 C(9)/A  
Legal tender s never gonna change the number on your days  
D G(9)/D E7no3 G(9)/E  
The highest cost of livin s dyin , that s one everybody pays  
Bbmaj7 Bbmaj7 A A  
So have it spent before you get the bill, there s no time to kill  
D G(9)/D E7no3 G(9)/E  
[turnaround]

If we d known ten years ago today would be ten years from now  
Would we spend tomorrow s yesterdays and make it last somehow  
Or lead the cheers in someone else s game and never learn to play  
And see the rules of thumb are all the same that measure every day  
Bbmaj7 Bbmaj7 A A D D  
The grass is green on both sides of the hill, there s no time to kill  
G C(9)/G G C(9)/G  
No time to kill, even I ve said it, probably always will  
G C(9)/G G C(9)/G  
But I can look ahead and see that time ain t standin still  
D G(9)/D D G(9)/D

No time to kill but time to change the kind of hurry I ve been in  
D G(9)/D D G(9)/D  
Quit this work and worry lookin back at where I ve been  
Bbmaj7 Bbmaj7 A A  
If you don t look ahead nobody will, there s no time to kill  
D G(9)/D D G(9)/D  
[turnaround]

If we had an hourglass to watch each one go by  
Or a bell to mark each one to pass, we d see just how they fly  
Would we escalate the value to be worth its weight in gold  
Or would we never know the fortunes that we had till we grow old  
And do we just keep killin time until there s no time to kill

No time to kill, even I ve said it, probably always will  
But I can look ahead and see that time ain t standin still  
No time to kill but time to change the kind of hurry I ve been in  
Quit this work and worry lookin back at where I ve been  
If you don t look ahead nobody will, there s no time to kill

No time to kill, even I ve said it, probably always will  
But I can look ahead and see that time ain t standin still  
No time to kill but time to change the kind of hurry I ve been in  
Quit this work and worry lookin back at where I ve been  
If you don t look ahead nobody will, there s no time to kill

D G(9)/D D G(9)/D
