Something That We Do Clint Black  
Transcribed by Dirk Cushenbery (dirkcush@pdq.net)

I re[G]member well the day[D] we wed  
I can[C] see that picture in[G] my head  
I [C]still believe the words[G] we said  
For[am]ever will ring true[D]  
[G]Love is certain, [D]love is kind  
[C]Love is yours and love[G] is mine  
But it [C]isn t somethin that[G] we find  
It s [am]somethin that [D]we do[G]

It s [G]holdin tight, let[D]tin go  
It s [C]flyin high and lay[G]in low  
[C]Let your strongest feel[G]in show  
[am]And your weekness too[D]  
It s a lit[G]tle and alot[D] to ask  
An end[C]less and a wel[G]come task  
Love is[C]n t somethin that[G] we have  
It s [am]somethin that[D] we do[G]

Chorus:

[C]We helped to make eachother all[G] that we can be  
Though we can [am]find our strength and inspiration[G] independently  
The way[C] we work together is what sets[G] our love apart  
So[Bb] closely that we can t tell where I end[am] and where you [D]start

It[G] gives me heart re[D]memberin how  
We [C]started with a [G]simple vow  
There s [C]so much to look back[G] on now  
[am]Still it feels brand new[D]  
We re [G]on a road that [D]has no end  
And [C]each day we be[G]gin again  
Love s [C]not just somethin that [G]we re in  
It s [am]somethin that[D] we do[G]

Chorus

[G]Love is wide, [D]love is long [C]Love is deep and love[G] is strong  
[C]Love is why I love[G] this song [am] And I hope you love it too[D]

I re[G]member well the day[D] we wed. I can [C]see that picture in[G] my head  
Love [C]isn t just those words[G] we said. It s some[am]thin that [D]we do[G]  
[C]There s no request too big[G] or small. We give[am] ourselves, we  
give[G] our all  
Love[am] isn t someplace [G]that we fall[C]. It s [am]somethin that[D] we  
do[**F#**]
