Spend My Time
By Clint Black

Intro: **C Cadd9 C, Fadd9 Dm Fadd9**

(When doing C chord, add pinky to high E string 3rd fret. When doing the Dm, just like Fadd9 only move your pinky up to the B, 3rd fret)

C Cadd9 C Cadd9
How can we know how far the long way can be
C Cadd9 C Cadd9
Looking from where we are it never seemed that long to me
Fadd9 Dm Fadd9 Dm
I ve many miles behind me maybe not so much ahead
C Cadd9 C Cadd9
Seems I made good time with the directions I misread

Chorus:

Am F C G
I m gonna spend my time like it s going out of style
Am F C G
I m moving the bottom line farther than a country mile
Am F C Am
I still have hills to climb before I hit that wall
F C
No matter how much time I buy, I can never spend it all

C Cadd9 C Cadd9
Funny thing that time, we re always running out
C Cadd9 C Cadd9
I m always losing mine, there s not enough of it about
Fadd9 Dm Fadd9 Dm
And though it s always here, it will always come and go
C Cadd9 C Cadd9
The days become the years that ll be gone before you know

Chorus 2:

Am F C G
I m gonna spend my time like it s going out of style
Am F C G
I m moving the bottom line better than a country mile
Am F C Am
I still have hills to climb before I hit that wall

F
I won t go quietly into that dark night
F
There ll be no more burning daylight

C

I ll be living in

G

Every moment that I m in
