

Summers Coming
Clint Black

A

Nothin on earth that ll get me hummin

Like a heat wave comin and I ll come runnin

D

With her makin that tan in the broad daylight

And every night is a Saturday night

A

And everything s right with the summer comin

I m the first one standin in line

E

For my day in the sun I ve been workin

A

Til the sun don t shine

E

Takin off my hat leave it to the boys

D A

Get that old work monkey down off my back

E

All I want s a little peace and noise

G

Hit the cruise control

D

Get me back on track

A

E

Let my old Ford treat me like a Cadillac

A

Nothin on Earth that ll get me hummin

Like a heat wave comin and I ll come runnin

D

With her makin that tan in the broad daylight

And every night is a Saturday night

A

And everything s right with the summer comin

I m the first one standin in line

E

For my day in the sun I ve been workin

A

Til the sun don t shine

E

When the day gets cookin gonna grab my toys

D **A**

And it really doesn t matter which wave we re on

E

Get to turnin up them good old boys

G **D**

Crankin into the night, by the break of dawn

A **E**

All the towns are red and I still see blonde

A

Nothin on Earth that ll get me hummin

Like a heat wave comin and I ll come runnin

D

With her makin that tan in the broad daylight

And every night is a Saturday night

A

And everything s right with the summer comin

I m the first one standin in line

E

For my day in the sun I ve been workin

A

Til the sun don t shine

E

For my day in the sun I ve been workin

A

Til the sun don t shine

E

For my day in the sun I ve been workin

A

Til the sun don t shine

Summer s comin to shine

Summer s comin to shine

Summer s comin
