Summers Coming Clint Black

```
Nothin on earth that ll get me hummin
Like a heat wave comin and I ll come runnin
With her makin that tan in the broad daylight
And every night is a Saturday night
And everything s right with the summer comin
I m the first one standin in line
For my day in the sun I ve been workin
Til the sun don t shine
Ε
Takin off my hat leave it to the boys
Get that old work monkey down off my back
All I want s a little peace and noise
Hit the cruise control
Get me back on track
Let my old Ford treat me like a Cadillac
Α
Nothin on Earth that ll get me hummin
Like a heat wave comin and I ll come runnin
With her makin that tan in the broad daylight
And every night is a Saturday night
And everything s right with the summer comin
I m the first one standin in line
For my day in the sun I ve been workin
```

Til the sun don t shine

```
Е
When the day gets cookin gonna grab my toys
And it really doesn t matter which wave we re on
Get to turnin up them good old boys
Crankin into the night, by the break of dawn
All the towns are red and I still see blonde
Nothin on Earth that ll get me hummin
Like a heat wave comin and I ll come runnin
With her makin that tan in the broad daylight
And every night is a Saturday night
And everything s right with the summer comin
I m the first one standin in line
For my day in the sun I ve been workin
Til the sun don t shine
For my day in the sun I ve been workin
Til the sun don t shine
For my day in the sun I ve been workin
 Til the sun don t shine
Summer s comin to shine
Summer s comin to shine
```
