SUBMITTED BY JOHN CRAWFORD

-----  
**Eb**    **Bb7**    **Eb**  
I guess you re glad to see I m finally leaving  
                       **Cm**    **Gm**    **Fm**    **Bb7**  
I know things for you will change now for the good  
**G#**    **Eb**  
but it s all i can do to pack my suitcase  
**F**    **Bb7**  
and walk away from you the way I should

-----  
**Eb**    **Bb7**    **Eb**  
and I can t seem to find the voice of reason  
                       **Cm**    **Gm**    **Fm**    **Bb7**  
everything seems upside down and right side wrong  
**G#**    **Eb**  
while a part of me is here and won t like leaving  
                       **Fm**    **Bb7**    **Eb**  
the rest of me the best of me is gone

-----  
chorus:  
**G#**    **C#**    **G#**    **Eb**  
and I m sure no one will wonder where I ve gone to  
**G#**    **F#**    **C#**  
but if anyone should ask from time to time  
**G#**    **C#**    **G#**    **Eb**  
tell them that you finally drove me crazy

**Eb**                                    **Bb**                                    **Eb**  
and I m somewhere untanglin my mind

-----

well tell em I won t be riding I ll be walking  
cause I don t think a crazy man should drive  
anyway the car belongs to you now  
along with any part of me that s still alive

-----

but there s really not much left you could hold on to  
and if you did it wouldn t last here anyway  
it would head to where the rest of me rolled on to  
so even if I wanted to I couldn t stay

-----

repeat chorus : then: and I m somewhere untanglin my mind
