We Tell Ourselves
Clint Black

This is how I play "We Tell Ourselves" by Clint Black.
(No flames please if I get some words incorrect or mispelled).

[**D**] [**D**] [**D**] [**D**]

[tab][**C**]   [**C**]   [**G**]
 I ought to know the look in anothers eyes[/tab]
[tab]   [**G**]   [**D**]
When the shot-in is on thier minds[/tab]
[tab][**C**]   [**C**]   [**G**]
 I think I saw that look in a lovers eyes[/tab]
[tab]   [**G**]   [**D**]
They were lookin me in mine[/tab]
[tab][**C**]   [**C**]
 Like both that found the woman who wanted (???)[/tab]
[tab]   [**G**]   [**D**]
That found the one we wanted, just quit trying[/tab]

CHORUS:
[tab]   [**G**]   [**G**]
So we tell ourselves, that what we found[/tab]
[tab]   [**G**]   [**F**]   [**D**]
Is what we meant to find[/tab]
[tab]   [**G**]   [**G**]
Thats what we tell ourselves, you won t believe the things[/tab]
[tab]   [**G**]   [**F**]   [**D**]
The heart would tell the mind[/tab]
[tab]   [**Em**]
Somehow we sell ourselves on love[/tab]

[tab]   [G]   [A]   [D]
I just don t think I ll, leave my heart this time[/tab]

[tab]   [C]   [C]
 I ought to know the language well[/tab]
[tab]   [G]   [G]   [D]
I ve heard me tell myself these things before[/tab]
[tab]   [C]   [C]
I ve finally made my mind up[/tab]
[tab]   [G]   [G]   [D]
My heart tells me to look for something more[/tab]
[tab]   [C]   [C]
To turn the knot, to wind up one[/tab]
[tab]   [G]   [G]   [D]
Was she the one, you can never be too sure[/tab]
