## First Person Shooter Clint Mansell

From the Movie Doom; based on the bestselling video game series.

Tabulature by Antony O Sullivan

10th July 2006 4:37PM GMT

This is played throughout the film; although the best use is the First Person section

near the end...the bit all the Doom fans went to see ;)

There are irregular intervals involving percussion and synthesizers; but impretty sure

tab is 100% correct. I ve also put the times above the tab to show when the parts are

in the song. Once you hear the song you will get the timing right.

Standard :ebgdaE: tuning

Happy Playing! \*

P.S My song finishes at 3:16; but my friend tells me that his version finishes
```

at 4:45.

However, he also tells me that my tab has all of the correct bits for the rest

song, so until i get this other version this tab will have to do, sorry.

feel free to email me at my hotmail address above.
