I m like living in a dream (I m like living in a dream)
It s everything it s supposed to be (Supposed to be)
It s a holiday from me

It s all just kickin in
And this is where I begin
Just being me
It s okay to be me

But it s gonna to be a a hip hop queen
A rock and roll dream it s all bling bling
Yeah, baby ka-ching
Come check me out
You know I m bringin down the house
I m the one that you want you now I m heaven sent
I m a little skater boy and a little 50 Cent
Just look at me I ve got everything

But then I woke up
(I m a hip hop queen)
I woke up
(I m a rock and roll dream)
I woke up, I woke up

Then I woke up
(It s all bling bling)
I woke up
(Yeah, baby ka-ching)
I m like living in a dream
(I m like living a dream)
It s everything it s supposed to be
