

Grandad, Grandad.

E **G#m** **C#m** **B**
Aeroplanes tied up with string, flying,
E **G#m** **C#m** **B**
Telephones and talking things, sighing,
A **B** **A** **B**
A radio and phonograph, Charlie Chaplin made us laugh,
A **F#m** **B** **B7**
Silently falling about.

E **G#m** **C#m** **B**
Familiar things I ll keep around, near me,
E **G#m** **C#m** **B**
Memories of my younger days, clearly,
A **B** **A** **B**
Now it s in my mind, everyday I find,
A **F#m** **B** **B7**
Thoughts of when I was a boy.

E **A**
But Grandad, Grandad, you re lovely,
F# **F#7** **Bsus4** **B**
That s what we all think of you.
E **A**
Grandad, Grandad, you re lovely,
F# **F#7** **Bsus4** **B**
That s what we all think of you.
E
Grandad, Grandad, Grandad, Grandad, Grandad, Grandad.

In the loving memory of Derrick Inman (4.5.24 - 12.1.96)
From your loving Grandson Shaun - may you be at peace with God
