

Grandad, Grandad.

**C#** **Fm** **Bbm** **G#**  
Aeroplanes tied up with string, flying,  
**C#** **Fm** **Bbm** **G#**  
Telephones and talking things, sighing,  
**F#** **G#** **F#** **G#**  
A radio and phonograph, Charlie Chaplin made us laugh,  
**F#** **Ebm** **G#** **G#7**  
Silently falling about.

**C#** **Fm** **Bbm** **G#**  
Familiar things I ll keep around, near me,  
**C#** **Fm** **Bbm** **G#**  
Memories of my younger days, clearly,  
**F#** **G#** **F#** **G#**  
Now it s in my mind, everyday I find,  
**F#** **Ebm** **G#** **G#7**  
Thoughts of when I was a boy.

**C#** **F#**  
But Grandad, Grandad, you re lovely,  
**Eb** **Eb7** **G#sus4** **G#**  
That s what we all think of you.  
**C#** **F#**  
Grandad, Grandad, you re lovely,  
**Eb** **Eb7** **G#sus4** **G#**  
That s what we all think of you.  
**C#**  
Grandad, Grandad, Grandad, Grandad, Grandad, Grandad.

In the loving memory of Derrick Inman (4.5.24 - 12.1.96)  
From your loving Grandson Shaun - may you be at peace with God
