

Grandad, Grandad.

D **F#m** **Bm** **A**
Aeroplanes tied up with string, flying,
D **F#m** **Bm** **A**
Telephones and talking things, sighing,
G **A** **G** **A**
A radio and phonograph, Charlie Chaplin made us laugh,
G **Em** **A** **A7**
Silently falling about.

D **F#m** **Bm** **A**
Familiar things I ll keep around, near me,
D **F#m** **Bm** **A**
Memories of my younger days, clearly,
G **A** **G** **A**
Now it s in my mind, everyday I find,
G **Em** **A** **A7**
Thoughts of when I was a boy.

D **G**
But Grandad, Grandad, you re lovely,
E **E7** **Asus4** **A**
That s what we all think of you.
D **G**
Grandad, Grandad, you re lovely,
E **E7** **Asus4** **A**
That s what we all think of you.
D
Grandad, Grandad, Grandad, Grandad, Grandad, Grandad.

In the loving memory of Derrick Inman (4.5.24 - 12.1.96)
From your loving Grandson Shaun - may you be at peace with God
