**E**

I say that Iâ€™ve got a taste for it now

Some day youâ€™re gonna want it too

**B**

They say that nobodyâ€™s perfect

**E**

But youâ€™re so perfect, youâ€™re so perfect

Wake up, or you will be late again

Mark up, and you will be late again

**B**

Oh they said that nobodyâ€™s perfect

**E**

But youâ€™re so perfect, youâ€™re so perfect

**E**

Good girl, you do what you want to do

No-one else exists beside you

**B**

You made the same mistakes

**E**

That people like you tend to make

Itâ€™s all mini-skirts and cigarettes

A couple of times, a couple of times

**B**

I tried to let you know,

But you donâ€™t see it, you donâ€™t see it
