Can I get a witness, look at the ears my testimony is my life. I stumble the
years and
I was so lost. God forgive me you commend me for all my wrongs. I m in debt to
you,
for the blood you spilt. It s who I killed you loved me still, you loved me
still.

between
you and me and heaven. My ressurections coming, 3, 2, 1.. Times running out,
faithfulness is on the down and out. So please forgive me, god please heal me.
With you is where i ll be here.
