Beast of Love - Cloud Control

I m not too sure about the lyrics but this is what I think they are :)
Hope you enjoy!

D	Am	C	Bm
	Yes it s always been thus hard,		
D	Am	C	Bm
	Fills the void between the light,		
D	Am	C	
	Feel the voices in the wild,		
Bm		D	
	Waiting for the beast to love to kill,		
Am		C	
	Searching seeking until,		
C	G	D	
	Ohhhhhhhhhhhhhhhhhhh.		

[Pause while Bass Drum]

D	Am	C	Bm
	Let it breathe and give it time,		
D	Am	C	Bm
	When there s nowhere left to hide,		
D	Am	C	
	Love is foolish yet worthwhile,		
Bm		D	
	Waiting for the beast of love to smile,		
Am		C	
	Never seeing past his teeth until,		
C	G	D	
	Ohhhhhhhhhhhhhhhhhhh.		

Am	G	D	Am	G	D
	You are all I needed,		You are all I need. (X2)		

C	G	D	C	G	D
	You are all I needed,		You are all I need. (repeat until end)		

[Ohhhhhhhhhhhhhhhhhhh (backing vocals - at same time)]

[Fade Out]
