E                    A            E  
Everything that I see around me,  
A  
Is sliding, sliding,  
G            D            E  
Sliding away.

E                    A                    E  
Traces of time locks in the pages,  
A  
Belong in the moment,  
G                    D  
True life lives,  
E  
In Lies.

E                    A                    E  
I shall wait under the trees,  
A  
From day to day,  
G                    D  
And hour to hour,  
E                    Em  
The meeting place.

Am                    Em  
Out of home and wits,  
G                    Am  
It s alright,  
Am                    Em  
Coloured in soft lips,  
G                    Am  
It s okay,

Am Em C            Em G  
Uuh uh uhh ...  
C Em Am            E  
Uuh uh huh ...

E                    A            E

Everything that I see around me,
