Stay By My Side Club 8

Capo 1st

Intro: Cm C#

Cm C#

i can not say where my heart is

Cm C#

it s all too much in my mind

Cm C#

the experience is gone before it s even here

Cm C#

there was love on my mind in the weekdays

Cm C#

and a longing for someone in the night

Cm C#

it was just a strive for what i can t have

G#

stay by my side

C# G#

as we hope for someone to show

G#

don t leave my side

Cm C#

though it s not what we hoped for

Cm - C#

Cm C#

you may take what you need when you want to

m C

and use me up if you wish

im C

feelings stay the same as i m asleep

Cm C#

there was hope for a sense of belonging

Cm C:

and a story was played in $\ensuremath{\mathsf{my}}$ $\ensuremath{\mathsf{mind}}$

Cm C#

a daydream s just enough for the state that I ${\tt m}$ in

```
G#
stay by my side
as we hope for someone to show
               G#
```

don t leave my side

C# Cm

though it s not what we hoped for

G#

Fm Cm Fm C# Eb

Fm Cm

i don t want feelings

Fm

i don t want songs

C# Eb Fm

stuck in my head too long

Cm

i don t need memories

Fm

to lean upon

C# Eb G#

when i know where i belong

C# G# Cm C#

G#

stay by my side

C#

as we hope for someone to show

G#

don t leave my side

CmC# Cm

though it s not what we hoped for
