"All Through The Town"
by Club Hoy (Flanagan/Richardson)
Track 12 on the album "Thursday s Fortune"
Tabbed by sheldon@tpgi.com.au

This is tabbed straight from the CD (index in brackets in min:sec). I ve
only worked out the chords (maybe someone can pick out the full tab?)

To play this song in the same key as the CD it s best to have a CAPO ON
THE SECOND FRET. Chords below are not concert pitch, merely just
shapes.
