"Looking In"
by Club Hoy (Flanagan/Richardson)
Track 5 on the album "Thursday s Fortune"
Published by Control

Tabbed by sheldon@tpgi.com.au

This is tabbed straight from the CD (index in brackets in min:sec). I ve only worked out the chords (maybe someone can pick out the full tab?)

To play this song in the same key as the CD it?s best to have a CAPO ON THE FIRST FRET. Chords below are not concert pitch, merely just shapes.

Capo - First Fret!
