Clubbing In Churches: One More Line Chords

Chords are nams for finger positions, not the tones, CAPO is 2nd fret.

[Intro]

C G Am F
C G Am F

[Verse 1]

C G Am F
Tried calling your phone, but you didnâ€™t pick up,
C G Am F
Tried finding you on the street, but I had no luck,
C G Am F
Little did I know you were in between his sheets tonight,
C G Am F
While I drown my sorrows in my local pub, I hate alright,

[Chorus]

C G Am F
And Iâ€™ll lay everything there; Iâ€™ll even tell you when Iâ€™m scared,
C G Am F
No, Iâ€™ll lay my thoughts down this time, While your nose is in the bathroom
sniffing one more line,
C G Am F
Iâ€™ll lay everything there; Iâ€™ll even tell you when Iâ€™m scared,
C G Am F
No Iâ€™ll lay my thoughts down this time, While your nose is in the bathroom,
sniffing one more line.

[Verse 2]

C G Am F
And as the night rolls in, you roll out his bed again,
C G Am F
And as the tear rolls down my cheek, heâ€™s putting shoes on his feet,
C G Am F
Heâ€™s leaving you alone again, while you still
C G Am F
call him your friend.

[Chorus]

C G Am F
And Iâ€™ll lay everything there; Iâ€™ll even tell you when Iâ€™m scared,

C **G** **Am** **F**
 No, Iâ€™ll lay my thoughts down this time, While your nose is in the bathroom
 sniffing one more line,
C **G** **Am** **F**
 Iâ€™ll lay everything there; Iâ€™ll even tell you when Iâ€™m scared,
C **G** **Am** **F**
 No Iâ€™ll lay my thoughts down this time, While your nose is in the bathroom,
 sniffing one more line.

[Outro]
