[Intro]

G C Em C

[Verse 1]

G

When I was younger I would run away

C

And read a book Iâ€™d treasure every day

Em

My hero jumped right off the page

C

You set me outta my cage

G

You shined a light on all that I could do

C

Gentle but stronger, laughing, crying too

Em D

Never afraid to show yourself

C

You brought me outta my shell

[Pre-Chorus]

Am Bm

What happened inside my soul?

Em F#m G

When did I start to give it up?

Am Bm

Now that Iâ€™m older I feel a hole

C D

Iâ€™m goinâ€™ back I wanna open up

[Chorus]

C D G Em

I open a book and my story to see you again

C D Am

I know that youâ€™re there for me

Bm C D G Em

Remember the time when you gave me the strength to begin

C D G

I know you're a part of me

[Post-Chorus]

C

Take a step at a time

Bm Em

'Cause I gotta believe

C D G

I'm gonna make the climb

C D

When I gotta be strong

G Em

And I have to be brave

C D G

I know you're coming along

C D G

I know you're coming along

[Verse 2]

G

When people grow up they stop having fun

C

Instead they live by logic and reason

Em

Emotions taking second place

C

God get me outta this race

G

Life in a noisy city takes a toll

C

No longer laughing from my heart at all

Em D

I wonder if I'll be OK

C

I don't fit in the charade

[Pre-Chorus]

Am Bm

What happened inside my soul?

Em F#m G
