

**Teardrops In The Rain**  
**CNBLUE**

Intro : E A B A B C#m

No one ever sees, no one feels the pain  
Teardrops in the rain

I wish upon a star, I wonder where you are  
I wish you re coming back to me again  
And everything s the same like it used to be

I see the days go by and still I wonder why  
I wonder why it has to be this way  
Why can t I have you here just like it used to be

I don t know which way to choose  
How can I find a way to go on ?  
I don t know if I can go on without you oh

Even if my heart s still beating just for you  
I really know you are  
Not feeling like I do

And even if the sun is shining over me  
How come I still freeze ?  
No one ever sees, no one feels the pain  
I shed teardrops in the rain
