

Bradley Intro
Coal Chamber

This is a really easy song. I just read another tab for this song, and it s like wrong, especially the intro. It sounds pretty perfect to me. I don t have my guitar in of to help me out though. Right now, I m sneaking on the internet at school so I only have time to show you the corrections for the intro. I did this with my guitar tuned in from low to high.... (C G C F A D)

I m not to sure about the last part though. Like I said, I m at school. Forgive me if a little off. =[[[
