

The World Has Its Shine But I Would Drop It On A Dime
Cobra Starship

B **E**
Iâ€™m not one for love songs
B **A**
The way Iâ€™m living makes you feel like giving up
But you donâ€™t and I want everything for you
B
But disappointment
E
Cause youâ€™ve been left behind
B **E**
And the world has its shine
B **E**
I would drop it on a dime for you

A **B** **E**
(Hey oh) whatever it takes
A **B** **E**
(Hey oh) Iâ€™m gonna make my way home
A **B** **E**
(Hey oh) we can turn our backs on the past
A
And start over

B
Not long ago I gave up hope
E
But you came along
A **E**
You gave me something I could hold on to
D
Whoa oh
E **D**
And I want you whoa oh
B
More than you could ever know

B
Before I met you
E **A**
I used to dream you up and make you up in my mind
(in my mind) Whoa oh
B **E**
and all I ever wanted was to be understood

B **E**
youâ€™ve been the only one who could

B **E** **A**
I could never turn my back on you

A **B** **E**
(Hey oh) whatever it takes

A **B** **E**
(Hey oh) Iâ€™m gonna make my way home

A **B** **E**
(Hey oh) we can turn our backs on the past

A
And start over

B
Not long ago I gave up hope

E
But you came along

A **E**
You gave me something I could hold on to

D
Whoa oh

E **D**
And I want you whoa oh

B
More than you could ever know

More than you could ever know

More than you could ever know it s true

(solo)

B
Not long ago I gave up hope

E
But you came along

A **E**
You gave me something I could hold on to

D
Whoa oh (yeah!)

B
Not long ago I gave up hope

E
But you came along

A **E**
You gave me something I could hold on to

D
Whoa oh

E **D**

And I want you whoa oh

B

More than you could ever know
