You, you make me feel that

[Verse 2]

Get a little closer to me girl

And you ll understand

Cause if you want a guy that knows what you need

Well, then I m your man

And if I listen I can hear you through my radio

In that bright white noise

What I been missing in my life

What I been dreaming of

You ll be that girl

You ll be that girl

You ll be

[Sabi]

Everything you want so let me get up there

I m the baddest baby in the atmosphere

Tell me what you want so we can do just what you like

Ooh

Everything you know I m flipping upside down

Take you round the world

You know I like it loud

Tell me what you want cause we can do just what you like

[Chorus]

You make me feel that

La la la la la

You make me feel so

La la la la la

You make me feel that

La la la la la

You make me feel so
La la la la la
You make me feel, oh
La la la la la
You make me feel that
La la la la la
You make me feel so
La la la la la
You make me feel, oh
La la la la la

Put your hands up
Put your hands up
Let the lights drop
Let the lights drop
Make my world stop
Make my world stop

La la la la la
La la na na na
You make me feel that
La la la la la
You make me feel so
La la la la la
You make me feel that
La la la la la
You make me feel so
La la la la la
You make me feel, oh
La la la la la
You make me feel that
La la la la la
You make me feel so
La la la la la
You make me feel that
La la la la la
