I love this song and it is pretty easy to play but hard to sing.
I m not sure about the lyrics

Am **C**
Didn t know her father
F **G**
Didn t know her ways
Am **C**
She forgot to kyss me goodbye
F **G**
I forgot her name
F **G** **Am** **C**
Last time I saw her was that day

F
It wasn t my fault
G **Am** **C**
Did I even break her heart at all
E **Am**
or was it the fall

C
She saw the edge fade out
F **G**
She wasn t afraid
Am **C**
She fall so beautifully
F **G**
Something like the rain
F **G** **Am** **C**
on her way down she smiled and wave

F
It wasn t my fault
G **Am** **C**
Did I even break her heart at all
E **Dm**
or was it the fall

Dm
Was it the fall, was it my fault
Am
did she even have a heart to break
Dm **Am**
did it happen when, when the world through her heart away

Dm **Am**
call her at the bottom and promis the ride will keep her safe
F
or at least fall
G
so she wouldn t fall alone
F
All the way you are
E

It wasn t my fault
G **Am** **C**
Did I even break her heart at all
