LYRICS

[riff 1]

I know he s not the kind, the kind that settles down  
And I know he finds it hard to keep his feet on the ground  
He goes drinking every night down the pub with all his mates  
Getting into fights staying out till late

[riff 2]

But when he comes home rolling drunk  
Don t get the ump, just remember

[chorus]

Even tough guys need someone sometimes [4x]

[riff 1]

He don t wear armani suits or shirts pressed nice and clean  
He wears doctor martens boots and dirty Levi jeans  
Your friend s all think he s gross and your parents hate his guts  
And once he gave you a dose but the tablets cleared it up

[riff 2]

They all say he s just no good  
But he s misunderstood, and remember

[chorus]

Even tough guys need someone sometimes [4x]

[riff 1]

He drives his car to fast he don t remember what you said  
His promises don t last and he s lousy in bed  
And when you re at a party and he s puking in the bin  
And you re try to remember what you ever saw in him

[riff 2]

So don t go into one  
He s only having fun, and remember

[chorus]

Even tough guys need someone sometimes [4x]
