By the meeting of the roads

It s a shame you said
Em Em7
That I may never know
C B7 Em
How far I can sometimes go
C B7 Em
How far I can sometimes go

[Chorus]

G Am Em
While my boat is drifting away
G Am Em
By the shore of Miami Bay
D
I m still trying to figure out
B7 C B7 Em
The end of what I was starting to say
Am B7

And you found all the footprints

Em **Em7**

That I left in the lawn

C **B7** **Em**

When I spied on you every night

Am **B7**

And I wish there was a secret

Em **Em7**

That you said in your sleep

C **B7** **Em**

Just a word that I could keep

C **B7** **Em**

Just a word that I could keep

[Chorus]

Am **B7** **Em** **Em7**

And I wish I was a comet to crash on your field

C **B7** **Em**

Just to be remembered

Am **B7** **Em** **Em7**

And I wish I was a comet to crash at your feet

C **B7** **Em**

Just to be remembered

[Chorus]
