C F Am
Twilight, twilight,
G7 C F Am
let the twilight embrace you and the world
G7 C
oh let it draw your face

F Am
And the trees will bend
G7 C
we all do in the end
F Am G
Dont you say again how lucky I am

G F
I guess its not up to me but
Am G
I want to be someone new and
G F
all the cops of New York City
Am G7 C
know me better than I already do

C F Am
We played the chords we knew,
G7 C
the ones we remembered,
C F Am
but it was the best song weve ever heard.
C F Am G C
Oh the moon was full it was starting to snow,
C F Am
and I wish you said I dont want you to go

G F
I guess its not up to me but
Am G
I want to be someone new and
G F

all the cops of New York City

Am **G7** **C**

know me better than I already do (x2)
