

**Hummingbird**  
**Cocoon**

[Verse]

**F**                  **C**          **G**          **Am**  
There s a long, long road to reach your house  
          **F**                  **C**          **G**          **Am**  
I arrived just before, just before the sunset  
          **F**                  **C**          **G**          **Am**  
And you said, and you said welcome with your eyes  
          **F**                  **C**          **G**          **G7**  
And we said, and we said nothing at all

[Chorus]

Oh we have been to  
Many churches  
But we never believed  
Oh we have been to  
Many churches  
But we never believed

[Verse]

If you go too far  
There s a song you hear  
If we get too closed  
Whisper in my ear  
Speak the word  
Say yes  
Be my church  
Say yes  
Hummingbird  
Say yes  
Be my judge

[Chorus]

Oh we have been to  
Many churhes  
But we never believed  
Oh we have been to  
Many churches  
But we never believed
