

**Hummingbird
Cocoon**

[Verse]

F **C** **G** **Am**
There s a long, long road to reach your house
 F **C** **G** **Am**
I arrived just before, just before the sunset
 F **C** **G** **Am**
And you said, and you said welcome with your eyes
 F **C** **G** **G7**
And we said, and we said nothing at all

[Chorus]

Oh we have been to
Many churches
But we never believed
Oh we have been to
Many churches
But we never believed

[Verse]

If you go too far
There s a song you hear
If we get too closed
Whisper in my ear
Speak the word
Say yes
Be my church
Say yes
Hummingbird
Say yes
Be my judge

[Chorus]

Oh we have been to
Many churhes
But we never believed
Oh we have been to
Many churches
But we never believed
