D **Bm**
You said you d take me

A
To your little car

D **Bm**
Your friend lived near by

A
He had a house and all

D **Bm**

D **A** **Bm**
Well it s not yugoslavia

D **A** **Bm** (note: I do not think the A chord is right, but it sounds decent)

It s not yugoslavia at all

It reminded me
Of a movie i just saw
About a little girl
From yugoslavia
She got sent away
They made her prostitute
She ate mcdonald s all day
And never had a chance to play

D A D
Ly-y-la

You wanted to buy me
For a hundred euro
You said you d take me
To your little car
Your friend lived near by

He had a house and all
Where was i from you said
You guessed yugoslavia
But it s not yugoslavia
It s hardly yugoslavia at all
