

Rip Burn Face  
CocoRosie

Capo on 2nd fret

**F** **Am**  
In her mourning, in her grief

**F** **Am**  
Don't you miss the way

**F** **Am**  
That she brushed her heavy hair

**C** **Am**  
Oh la la la la la

**F** **Am**  
Acid burned face, clowny tear smile

**F** **Am**  
She's the one who made you wild

**F** **Am**  
She made you question all your answers

**C** **Am**  
Made you beg for her forgiveness

**F** **Am**  
Baby girl don't cry

**F** **Am**  
Momma's gonna buy you a glass eye

**F** **Am**  
And it will glimmer like starlight

**F** **Am**  
She's got no reservations

**F** **Am**  
Ain't got no place to be

**F** **Am**  
Her graveyard's in the backyard

**C** **Am**  
Where the meadows used to be

**F** **Am**  
Lord knows my destination

**F** **Am**  
Lord hears my inner prayer

**F** **Am**  
Mom'll find me by the river

**C** **Am**  
Soaking with her party balloons

**F** **Am** **C** **Am**  
Flowers for the ones you loved

**F**                    **Am C Am**  
Flowers for the lost at sea
