

Tekno Love Song
CocoRosie

A **E**
I fell in love with a bad bad man

Bm
Every since I met him

F#m
I ve been sad sad sad

A
I m a jailbird to your music

E
A criminal in your prayer

Bm
I watch you in your sleep

F#m
Even when you re not there

A **E**
Rainbows wept color all over the streets

Bm **F#m**
When you went away maybe one day we ll meet

A **E**
Lipstick I d wear for one million years

Bm **F#m**
Just to stop your eyes from falling down tears

A **E**
I fell in love with a bad bad man

Bm
Every since I met him

F#m
I ve been sad sad sad

A
I m a jailbird to your music

E
A criminal in your prayer

Bm
I watch you in your sleep

F#m
Even when you re not there

A **E**
Rainbows wept color all over the streets

Bm **F#m**
When you went away maybe one day we ll meet

A
One day we ll meet

Bm

One day we ll meet

A

One day

F#m

We ll meet
