Song: The Moon Asked The Crow
Artist: CocoRosie
Album: Grey Oceans (2010)

Intro:

Dm x2

A x2

Dm

I caught a glimpse out the window

Dm

A Polish graveyard filled with widows

A

I coddle a bottle of warm beer

A

I see a pool of liquid tearz

Dm

A

Dm

Glimmering so sweet and mellow

Dm

A sea of lilting wilting willow

A

A secret book of forgotten wishes

A

Drown in ponds with broken dishes

Dm x2

A

The moon asked the crow

Dm

For a little show

Dm

In the hazy milk of twilight

A

No one had to know

Dm x2

A x2

Dm

Angel brother I miss your hair

Dm

Careless nature gentle stare

A

You fell like rain in the dark abysses

A

Kissed the lips of bloody twins

Dm

Sung to you a slew of sirens

Dm

Tricky mermaids and evil...

A

...pirates

A

Dm

You watched the sky with kaleidoscopic eyes

Dm

Howling out right to the blasphemous night

A

A wolf in the garden why do you linger so

A

Like a silky snail soul

A

the moon asked the crow

Dm

For a little show

Dm

In the hazy milk of twilight

A

No one had to know

A

the moon asked the crow

Dm

For a little show

Dm

In the hazy milk of twilight

A

No one had to know

A

the moon asked the crow

Dm

For a little show

Dm

In the hazy milk of twilight

A

No one had to know

Amazing band, amazing album, amazing song.

Very simple to play on guitar, too! Only 2 chords the whole way through
Use barre chords
