

Turn Me On  
CocoRosie

Tabbed by Scott Melendez

This is a live cover CocoRosie did of the Kevin Lyttle song. It s very different, but very good. I do not claim that this tab is 100% correct, it s my interpretation of a song is performed on a harp.

Verse I (starts as strumming then goes to picking)

(Strum Once)

**Em**

So for the moment I was

**D** **Em**

Jamming at this party

**D**

You re whinning hard on me

-----  
At this point you can either strum the indicated chord or you can pick this pattern for chord. For C and D you basically use your 3rd and 2nd fingers for C and then slide those to the 5th and 4th fret and use your 1st finger to reach the A note on the G string.

-----  
C G---0----0---            D G---2----2-----|  
D--2-2--2-2--            D--4-4--4-2-----|  
A-3---3-----            A-5----5-----|  
E-----                    E-----|

**C**                            **D**  
Pushing everything  
**C**                            **D**  
Right back on top of me  
Yeah-hey-ai

-----  
Strum or pick this pattern for Em and D\*:

Em    B---0----0----            D\*    B---0----0----|  
      G--0-0--0-0---            G--0-0--0-0---|  
      D-2----2-----            D-0----0-----|

**Em**  
But if you think  
                          **D\***

You re gonna get away from me

**Em** **D\***

You better change your mind

**C** **D**

Cause you re going home

**C** **D**

You re going home with me tonight

-----

CHORUS

**Em**

So let me hold you

**D\*** **Em**

Come caress my body

**D\*** **C** **D**

You got me going crazy

**C** **D**

Turn me on

**Em**

Ooh yeah, let me jam you

**D\*** **Em**

I say wine all around me

**D\*** **C** **D**

Cause you got me going crazy

**C** **D**

Turn me on

-----

Verse II

**Em**

One hand just on the ground

**D\***

My Bumper cock is sky high

**Em** **D\***

Weighing hard on me

**C** **D**

You got this python

**C** **D**

Hollerin for mercy

Yea-Hey-ai

**Em** **D\***

And then I whisper in her ear

Wine harder

**Em** **D\***

And then she said to me

**C** **D**

Boy just push that thing

**C** **D**

Push it harder back on me

-----

Chorus (same as previous)

So let me hold you

-----  
Verse III (same as previous)

So for the moment while  
We jamming at this party  
You re wining hard on me  
Pushing everything  
Right back on top of me  
Yea-hey-ai  
And if you think  
You re gonna get away from me  
You better change your mind  
Cause you re coming home  
You re coming home with me tonight

-----  
Chorus (same as previous)

So let me hold you  
Come caress my body  
You got me going crazy  
Turn me on  
Ooh yeah let me jam you  
I say wine all-all-all around me  
You got me going crazy  
Turn me on  
Ooh yeah let me jam you  
I say wine all-all-all around me  
Cause you got me going crazy  
Turn me on

-----  
During the chorus it sounds like they change octaves, so you can also play the  
chord  
like this if you wish. Mix it up!

Em	E---7---7-----	D*	E---7---7-----	
	B--8-8--8-8-----		B--8-8--8-8-----	
	G-9---9-----		G-7---7-----	

C	E---3---3-----	D	E---5---5-----	
	B--5-5--5-5-----		B--7-7--7-7-----	
	G-5---5-----		G-7---7-----
