**Am Dm C E**  
It s getting late, but I ll wait up to greet the dawn  
**Am Dm C E**  
Pour some Champagne and refrain, from moving on  
**Am Dm E Am F E**  
There s got to be more than this to our simple serenades  
**E**  
I m waiting til the spot light fades

**Am Dm**  
A case of Vanity Kills, they re all up for the thrills  
**F C**  
But not the working darlin  
**Am Dm**  
Life s a roll of a dice, but you ll pay the price  
**E**  
When that curtain falls

**Am Dm C**  
Another place, another name  
**E**  
Another sleepless night  
**Am Dm C**  
But still they come, they adore  
**E**  
How could I not oblige  
**Am Dm E Am F E**  
There s got to be more than this to our simple serenades  
**E**  
I m waiting til the spotlight fades

**Am Dm**  
A case of Vanity Kills, they re all up for the thrills  
**F C**  
But not the working darlin  
**Am Dm**  
Life s a roll of a dice, but you ll pay the price  
**E**  
When that curtain falls

**F E Am**  
Caught in this constant flow of flattery  
**F**  
Is there no getting by the sound

**F E**

But still that thoughts ringing out

**Am Dm C E E E E E E E**

There s got to be something more than, something mo-o-o-o-o-o-o-re than this

**Am Dm**

A case of Vanity Kills, they re all up for the thrills

**F C**

But not the working darlin

**Am Dm**

Life s a roll of a dice, but you ll pay the price

**E**

When that curtain falls
