

## Colorado

### Cody Jinks

Colorado by Cody Jinks from the album Lifers (2018).

Written by Cody Jinks and Ward Davis.

\*If you like Jinks and haven't heard of Davis, check him out, you won't be disappointed.\*

Song is played tuned in Eb standard tuning, as are most of his songs. I kept the tuning on here as Standard to keep the chord shapes accurate. Let me know if there are any errors.
