G#m E B F#
I feel their eyes upon me as I walk across the room

G#m E B B
I can hear em all whispering my name

G#m E B F#
So I tuck in my shoulders and hide the best I can

G#m E B F#
It all happened so fast I can t explain

C#m
But if I had to

G#m E B B
I d tell em all I really ain t that special

G#m E F#
And I d cry and yell, Leave me the hell alone

G#m E B E
And I hate it that I have to try to be cool all the time

G#m E B B
I m just a guy with a wounded mind

G#m E B F#
I put on my costume and I put on a show

G#m E B B
The only way a jester stays alive

G#m E B F#
All they see is glitter and all they hear are rhymes

G#m E B B
If I could find a new way to survive

C#m
I d be glad to

G#m E B B
I d tell em all I really ain t that special

G#m E F#
And I d cry and yell, Leave me the hell alone

G#m E B E
And I hate it that I have to try to be cool all the time

G#m E B B
I m just a guy with a wounded mind
