On My Way To You
Cody Johnson

 Note: tune down a half step + drop D = drop C#, play standard chord shapes
except for the lowest string.

D	000232
G	5x0003
Em	222000
A	x02220
Bm	x24432

[Intro]
```
                                       g
D#|--------|-----------------------------|----------------------------|
A#|--------|-----------------------------|----------------------------|
F#|--------|-------2h4--------------------|-------2h4------------------|
C#|-----0--|-----------2h4-------0h2p0-----|----------2h4-------2p0-----|
G#|-0h2----|--------------------------2-0-|-------------------------2-0-|
C#|--------|-0----------------0-0----------|-0--------------0-0--------|
```

h = hammer on, p = pull off, g = grace note

[Verse 1]
```
        D
```
All the boats I ve missed
```
        D
```
All the hell I ve caused
```
        G
```
All the lips I ve kissed
```
        G
```
All the love I ve lost
```
      Em
```
I got kicked around
```
          A
```
I ve been black and blue
```
      D
```
On my way to you

[Verse 2]
```
        D
```
All the stars I ve seen
```
        D
```
All the songs I ve sung
```
        G
```
All the beers I ve drank
```
        G
```
All the damage done
```
          Em
```

```
I was just passin  time
         A
Kinda just passin  through
      D
On my way to you

[Chorus]
      G
Every curve, every ditch
      G
Every turn, every bridge
        D
I left behind me up in smoke
      D
Every fork in the road
       G
It was all worth the while
           Bm
When I finally saw your smile
      A
Every highway, every heartbreak
      A
Every mountain, every mile

[Verse 3]
        D
I got the radio up
      D
Sun is going down
          G
Iâ€™ll take a left at the bank
           G
And Iâ€™ll head straight through town
        Em
So baby put on that dress
          A
And a little sweet perfume
            D
â€˜Cause Iâ€™m on my way to you

[Solo]
| D  | D  | G  | G  | A  | A  | D  | D

[Chorus]
        G
Yeah, every curve, every ditch
      G
Every turn, every bridge
       D
I left behind me up in smoke
      D
Every fork in the road
       G
```

```
It was all worth the while
                  Bm
When I finally saw your smile
      A
Every highway, every heartbreak
        A
Every mountain, every mile

[Verse 4]
        D
All the boats Iâ€™ve missed
        D
All the hell Iâ€™ve caused
        G
All the lips Iâ€™ve kissed
        G
All the love Iâ€™ve lost
        Em
I thank God for that
          A
I guess he always knew
            Bm              G
I was on my way to you

[Outro]
      D               A
On my way to yoouu-oouu
      Bm              G      D    A      D
On my way to yoouu-oouu
```
