

Walk Away
Cody Johnson

[Intro]

A D A D

[Verse]

There s a difference, in the way she feels when I touch her now
E A
I can tell that something s wrong but I can t put my finger on when, the why, or
E
how
A D
And there s a coldness in the way she swears I m not the reason she s not in the
E A
mood
E
And it tears me up inside to lie here next to her while she lies to me about you

She thinks I don t know but I m about to lose control
E A G D
E G A
She s the kinda love that builds you up enough but she can t stand to be alone
A G D
Hell s what I m gonna raise, cause I m hell bent on a change
E A D
Buddy finish your drink its on me, then get up and walk away

You see I ve known her long enough to know how she was before she was mine
A D
E A E
And I m not oblivious its just I ve been the only one for all this time
A D
So now you know the reason I came in here tonight to put an end to this romance
E A
E
There s nothing you can say or do to prove to me that shes not worth a second
chance

She still thinks I don t know but I m about to lose control
E A G D
E G A
E
She s the kinda love that builds you up enough but she can t stand to be alone
A Em A D

Hell s what I m gonna raise, cause I m hell bent on a change
