This is relative to the capo. You can play the chords traditionally but this is
how i play them. well E is just E .. lol

```
     E    Asus2          C#m
              or              or
E--0-----0-------0-----0-------0-------------|
B--0-----0-------0-----0-------5-------------|
G--1-----2-------6-----6-------6-------------|
D--2-----2-------7-----6-------6-------------|
A--2-----0-------7-----4-------4-------------|
E--0-----0-------0-----0-------0-------------|
```

CAPO 1
(INTRO): **E Asus2** 4x

E Asus2
If I could create the perfect girl, itâ€™d be you
Big brown eyes and that pretty smile, itâ€™s true
Iâ€™m falling in love, what have I got to lose?
Iâ€™d be happy to say 143 to you

C#m
Letâ€™s spark this feeling tonight
Asus2
Full moon, 20 seconds â€˜till midnight
C#m
You and me on a rocket alright
Asus2
Count 3, 2, 1
E
Blasting off into the atmosphere
Asus2
Lights are flashing and itâ€™s crystal clear
C#m
My heart is, my heart is
Asus2
My heart is falling for

E Asus2
You could be the queen and Iâ€™ll be the king
And I know this love, will last forever girl, oh
The smell of your hair and the taste of your lips baby
You got me hooked, and I canâ€™t say no to this
No Iâ€™d never say no to this, no oh oh oh

C#m
Let's spark this feeling tonight
