

One Day At A Time

Cody Longo

Capo on 1st fret

E **B** **C#m** **A**
They say two wrongs are never right, but nothing s final
E **B** **C#m** **A**
A thousand thoughts, a million fears and I still smile
E **B** **C#m** **A**
When you run too fast to never see the colors of every memory
E **B** **A**
Slow down the world, live another day

E **B**
I remember how it used to be
C#m **A**
Out there chasing cars and broken dreams
E **B**
I told myself don t look back this is your life
C#m **A**
Someday I m gona fall in love for the first time
E **B**
I remember every piece of me
C#m **A**
Everything was perfect and complete
E **B**
So I m gonna take it
C#m **A**
One day at a time, one day at a time

A **E**
Ultraviolet record highs and lows
A **B**
It s easier to stop and let it go

E **B**
So, I remember how it used to be
C#m **A**
Out there chasing cars and broken dreams
E **B**
I remember every piece of me
C#m **A**
Everything was perfect and complete
E **B**
So I m gonna take it
C#m **A** **E**
One day at a time, one day at a time

Sorry if it s not 100% accurate. This is the first time I m submitting tabs :)
