

Be The One

Cody Simpson

So, I figured this out awhile ago but I was too lazy to put it up.

(NO CAPO; STANDARD TUNING)

G **D**
Look around, you should be,
Em **C**
Should be dancing, dance with me
G **D**
Bottom line, we re wastin time
Em **C**
so I ma say what s on my mind

(Pre-Chorus)

A
I just want you to know,
C
That you re so so beautiful

[Chorus:]

G **D**
Baby I just want to be with you,
 Em
I don t care if nobody approves,
C
Tell me what I gotta do
A **C**
To prove tonight, I might be the one, girl

(Continue like the first verse)

Though we re caught in the moment,
The moment you know
That you want me to own it, To own it
Let s go....

A
And I need you to know,
C
That you re so so beautiful

[Chorus:]

(Same as Chorus)

Baby I just want to be with you,
I don t care if nobody approves,
Tell me what I gotta do
To prove tonight, I might be the one, girl

Baby I just want to be with you,
I don t care if nobody approves,
Tell me what I gotta do
To prove tonight , I might be the one, girl)

(same as verses)
Don t over-think it,
We don t have to leave yet
We re just havin fun,
What could go wrong
There ain t no question about it
I m sayin it s you that I want

[Chorus:]
(continue like the chorus)
(Baby I just want to be with you,
I don t care if nobody approves,
Tell me what I gotta do
To prove tonight, I might be the one, girl
Baby I just want to be with you,
I don t care if nobody approves,
Tell me what I gotta do
To prove tonight, I might be the one, girl)

I might be the one, girl

So, uh, yeah. I hope you like it. If not, whatever. Just comment what you want
me
to change. -HummelAnderson
