If you ever need to cry...
               Am
I ll wipe the tears right from your eyes.
Oh yes, I will.
If you can t fall asleep at night...
             Am
I ll sing to you a lullaby.
Oh yes, I will.
 (Chorus)
Can I be your gentlemen?
I ll be as gentle as I can.
Girl, what will it take?
To be your gentlemen.
                       Am
I swear I ll be the luckiest man.
If I can be your gentlemen.
I wanna be the one you hug.
                           Am
When the world is just too much.
Oh what you say?
I wanna be the one you trust. (trust)
