

Im Your Friend
Cody Simpson

When you re down and you cant call upon your mamma anymore
You can call you can call on me
When you re low we ll get high and dip our toes down in the tide
cause no ones there to tell us come inside

And I know you believe in angels
Did you know I believe in you

And I know everybody goes through changes
But that just means we re all the same
All best friends start out as strangers
So rest easy cause I m your friend

When You re lost and you cant find your way out of the trees
I will see the signal you set into the breeze
You know me well I will rescue thee
And I know you believe in lucky chance
That you know I meditate under the circumstance

And I know everybody goes through changes
But that just means we re all the same
All best friends start out as strangers
So rest easy cause I m your friend
So rest easy cause I m your
