Its Always You
Cody Simpson

 [Intro]
A   E

[Verse 1]
A
Lies that I told ya
                          E
Lies that I told ya
A
Answers I owe ya
                     E
Answers I owe ya

[Pre-Chorus]
  A
See you run into the night
                              E
Running like a streaming light
  A
I see you fade into the blue
                              E
But babe I love to watch you move

[Chorus]
          B   **A**   **E**
In the end, there s nothing I can do
          B   **A**   **E**
In the end, it s always you

[Verse 2]
A
Waves that are broken
                          E
Words unspoken to you
A
This guitar plays forever
                          E
When it s playing for you

[Pre-Chorus 2]
   A
Feel you drift away from me

```
                            E
Till there s nothing I can see
A
See you fade into the black
                                E
But babe I love to watch your back

[Chorus]
        B               A           E
In the end, there s nothing I can do
          B           A         E
In the end, it s always you
```
