So Listen
Cody Simpson

Hey! I ve learnt this from ear so sorry if some parts are a little bit wrong,
and sorry
if the lyrics are wrong, he hasn t released the official song yet so this isn t
the full
version :)

Standard tuning

Bbm
I ve been trying to find the right words
G#   **Eb**   **Bbm**
But they always seem to hit the page wrong
                                    G#
You see I tend to fight words
   Eb   **Bbm**
I breathe em into life, and they re gone
                                      G#
I need some louder speaking actions
      Eb   **Bbm**
They do what letters could never do
                    G#
You see, you are my addiction
         Eb
I need more than words to show you

(chorus)
       Bbm C#   **G# Eb**   **Bbm C#**
So listen to me, listen
G#   **Eb**
Listen to my heartbeat

Bbm   **G#**
I d like to think you understand me
      Eb   **Bbm**
But I never really like to assume
                          G#
So you never have to ask me
       Eb   **Bbm**
I ma let my actions tell you the tru-hu-huth
      C#
For you-hu-hu-hu
G#   **Eb**
There is nothing I wouldn t go through-hu-hu-hu
Bbm   **C#**
And if you need some proo-hu-hu-oof

```
G#                               Eb
You can find it in what I do-hu-hu-hu

                Bbm                          C#
(listen to me baby) And I could tell you everyday
G#                      Eb
Just how much I want you
   Bbm                  C#
I-I-I-I I ve never been good with words
        G#                              Eb
But I went and wrote this song for you

e---5-3-2-3-2-0-2-0----|
B--------------------|
G--------------------|
D--------------------|
A--------------------|
E--------------------|

        Bbm C#  G# Eb      Bbm C#
So listen to me, listen
G#                           Eb
Listen to my heartbeat
        Bbm C#  G# Eb      Bbm C#
So listen to me, listen
G#                      Eb
Listen to my heartbeat
Listen to my heartbeat
