**Cody Simpson**

Hey! I ve learnt this from ear so sorry if some parts are a little bit wrong,  
and sorry  
if the lyrics are wrong, he hasn t released the official song yet so this isn t  
the full  
version :)

Standard tuning

**Bm**

I ve been trying to find the right words

**A E Bm**

But they always seem to hit the page wrong

**A**

You see I tend to fight words

**E Bm**

I breathe em into life, and they re gone

**A**

I need some louder speaking actions

**E Bm**

They do what letters could never do

**A**

You see, you are my addiction

**E**

I need more than words to show you

(chorus)

**Bm D A E Bm D**

So listen to me, listen

**A E**

Listen to my heartbeat

**Bm A**

I d like to think you understand me

**E Bm**

But I never really like to assume

**A**

So you never have to ask me

**E Bm**

I ma let my actions tell you the tru-hu-huth

**D**

For you-hu-hu-hu

**A E**

There is nothing I wouldn t go through-hu-hu-hu

**Bm D**

And if you need some proo-hu-hu-oof

**A** **E**  
You can find it in what I do-hu-hu-hu

**Bm** **D**  
(listen to me baby) And I could tell you everyday

**A** **E**  
Just how much I want you

**Bm** **D**  
I-I-I-I I ve never been good with words

**A** **E**  
But I went and wrote this song for you
